

**HEALTHCARE
RISING**
— ARIZONA —

**It's our healthcare system.
It should work for us.
Let's fix it.**

You matter. Your experience matters. Your story matters.

All Arizonans deserve the highest standard of health and living. Unfortunately, that's not always what we get. This is why we are building a nonpartisan grassroots organization of patients, consumers, and caregivers who are fighting to improve healthcare in Arizona.

We are people, not political parties.

By coming together and raising each other up in common cause we can make a difference:

**THROUGH THE BALLOT
BOX** by passing ballot
initiatives to fix healthcare
problems

IN OUR NEIGHBORHOODS
by taking action to raise
awareness of the problems
that need to be fixed

AT THE CAPITOL by
holding elected officials
accountable to our
healthcare needs

Join us. Rise for healthcare.

Anyone can join, and anyone can make a difference.
